

SHARING A CONCEPT MAP

USING THE OOI OCEAN EDUCATION PORTAL

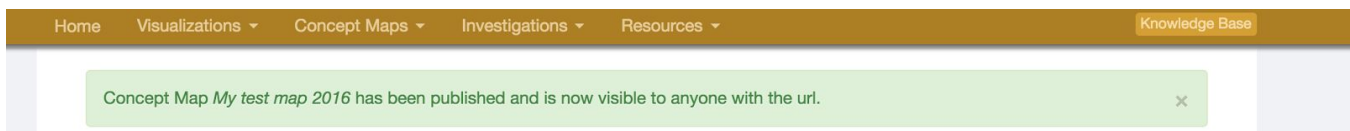

- From the “My Concept Maps” list, click on the name of the map you wish to share.
- From the concept map detail page, click on “Share” button

- A box will pop up with several options. By default, all maps are set to “Private.”
- Select the radio button next to the second option, which says “Published - Anyone with the url may view this resource.”
- Once you select this option, a confirmation question will appear.

- Click “Yes.” A green confirmation message will appear above your map.

- Now, click the Share button again.
- This time, it provides you with a link to share your concept map (as well as links to social media platforms).
